## a la carte | typhoon shelter 避風塘

“typhoon shelter” seafood, an iconic hong kong cuisine, originated from the thriving nightlife hub at the waterfront of causeway bay. this protected bay was also a perfect place of refuge during the typhoon season and came to be known formally as typhoon shelter. gradually, it also became home to a small fleet of floating restaurants. diners were ferried for the dishes of these boat people, and the best-known is typhoon shelter crab, an aromatic delight featuring crispy golden crumb, wok fried garlic, dried chilli, and spices, that delivers just the right level of piquancy and heat.
